It might be best to wait for this class since it will be free to us.

Have you decided if you are coming to Cincinnati for the October 11 picnic? If so, please put in your TA for your trip today. Thanks!

Jason,

NCIMM will have a SWMM class – probably in January or February in Cincinnati.

Michelle

Hi Michelle and Regan:

I wanted to check in with you about the SWMM training that's coming up at the end of October. I found out I have a family obligation on Oct. 26<sup>th</sup>, so I don't think I'll be able to make the workshop out in Denver Oct. 25 – 26<sup>th</sup>.

I was wondering if I could attend a more local SWMM training in Virginia Nov. 28 – 29 that CHI Water is offering? I would be able to drive to the workshop from DC. It sounds like they cover the same topics as the Urban Watersheds Research Institute training in Denver.
